

# SAVE A LIFE BE PREPARED

EMERGENCY PERSONNEL AND THOSE TRAINED IN CPR WILL WANT THIS COMPACT CPR MASK CLOSE AT HAND

Spectrum's CPR Pocket Resuscitator combines lifesaving functionality with cross-contamination features to help keep you safe while saving others.

## WHEN SECONDS MATTER

Fluoride coating allows for easy care and cleaning, keeping these scissors in top shape and ready to tackle any job. Designed for the medical field, these tough and sturdy scissors are a welcome addition at work or home.

### Compact Case Holds Everything

Made with generous finger openings, the high impact plastic handles offer a comfortable grip for extended use in even the most demanding of situations.

### Compatible and Easy to Use

Milled serrations allow for safe cutting time after time on the toughest of materials, including bandages, heavy fabric, tape and more. Durable stainless steel make these handy workhorse scissor a favorite that will last for many years.
